The hassle-free voting experience: A practical guide.

In anticipation of high turnout for the November 8, 2016 Presidential General Election, here are a few strategies to help make the voting process a more convenient experience for all.

VOTE BY MAIL

SIMPLE. Your ballot arrives in your mailbox.

SMART. Make voting decisions and complete your ballot comfortably at home.

SECURE. Seal your completed ballot in the provided envelope, sign it, add postage and return it by mail promptly so it is received well before November 8, 2016. Starting October 31st, you can deposit your sealed ballot at one of 24 convenient drop-off locations around the county. Or, drop it at the Registrar's office now or at any poll on Election Day.

Tip: Mail Ballot Voters who decide to vote at their polling place should BRING their Mail Ballot to be SURRENDERED, then a new ballot will be issued.

Sign up to receive your mail-in ballot. Go to sdvote.com and click on "Vote by Mail."

VOTE ON ELECTION DAY

Mark your selections on the sample ballot in advance so when you go inside the voting booth, you can quickly fill in the official ballot. Be sure to go to your assigned polling location between 7am and 8pm. Look on the back cover of this pamphlet to find your assigned poll.

VOTING PROVISIONALLY. WHAT IS IT? ONLY USE IT AS A LAST RESORT.

As a registered voter in San Diego County, provisional voting protects your ability to vote. If you can't make it to your poll, you forget to bring your mail ballot to the poll, or your name is not on the voter list, it is your right to receive a provisional ballot. But be prepared to spend some time filling out the form on the provisional envelope. Also, if you vote provisionally outside your assigned voting precinct, you may not be voting on all the contests you are eligible to vote on. Here's how to avoid unnecessary provisional voting on Election Day:

Go to your ASSIGNED polling place: See back cover of this pamphlet.

Surrender Your Mail Ballot: If you decide to vote at your ASSIGNED polling place instead of by mail, you should BRING your mail ballot with you to the polls to be SURRENDERED.

Vote and Return Your Mail Ballot: Mail promptly, or deposit your completed mail ballot at a drop-off location PRIOR to Election Day. See drop-off locations in your packet or online: sdvote.com.

YOUR VOTE. YOUR CHOICE.

Election Day can be a hectic time of last minute decisions. Or with a little preparation, the experience can be convenient and easy. Either way, we will ensure every eligible vote is counted.

There's still time to sign up for your mail-in ballot. Go to sdvote.com and click on "Vote by Mail"

Accessible Polling Locations

We strive to ensure that polling locations are accessible to every voter. Let us know how are we doing. Ask for a voter survey at your poll.

Look for a YES or NO below this symbol on the back cover of this pamphlet to tell whether your poll is accessible. If it is not, call 858-565-5800 for alternative voting methods.

You may request to have a ballot brought to an accessible location as near as possible outside the polls. You may also select the assistance of not more than two persons to help you complete your ballot.

Disability Rights California will operate a statewide Election Day Hotline for voters having difficulty voting because of a disability: 1-888-569-7955.

The Registrar of Voters Office has a TDD (Telecommunications Device for the Deaf). For assistance, please call 858-694-3441.

Conservatorships

People in conservatorships have a right to vote if they can express a desire to vote. Anyone previously disqualified can ask for reinstatement by writing a letter to the court. For more information, go to: www.spectruminstitute.org/restore-voting-rights

Touchscreen Voting

A touchscreen will be available at each polling location. Each touchscreen is equipped with a headset and a telephone-style keypad for audio-based voting and is available in the required languages listed above.

PROP 51 SCHOOL BONDS. FUNDING FOR K-12 SCHOOL AND COMMUNITY COLLEGE FACILITIES. INITIATIVE STATUTE. Authorizes \$9 billion in general obligation bonds for new construction and modernization of K-12 public school facilities; charter schools and vocational education facilities; and California Community Colleges facilities. Fiscal Impact: State costs of about \$17.6 billion to pay off both the principal (\$9 billion) and interest (\$8.6 billion) on the bonds. Payments of about \$500 million per year for 35 years.

BONDS - YES

☐

BONDS - NO

☐

PROP 52 MEDI-CAL HOSPITAL FEE PROGRAM. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Extends indefinitely an existing statute that imposes fees on hospitals to fund Medi-Cal health care services, care for uninsured patients, and children's health coverage. Fiscal Impact: Uncertain fiscal effect, ranging from relatively little impact to annual state General Fund savings of around \$1 billion and increased funding for public hospitals in the low hundreds of millions of dollars annually.

NO

☐

STATE

PROP 53 REVENUE BONDS. STATEWIDE VOTER APPROVAL. INITIATIVE CONSTITUTIONAL AMENDMENT. Requires statewide voter approval before any revenue bonds can be issued or sold by the state for certain projects if the bond amount exceeds \$2 billion. Fiscal Impact: State and local fiscal effects are unknown and would depend on which projects are affected by the measure and what actions government agencies and voters take in response to the measure's voting requirement.

BONDS - YES

<p>PROP 55 TAX EXTENSION TO FUND EDUCATION AND HEALTHCARE. INITIATIVE CONSTITUTIONAL AMENDMENT. Extends by twelve years the temporary personal income tax increases enacted in 2012 on earnings over \$250,000, with revenues allocated to K-12 schools, California Community Colleges, and, in certain years, healthcare. Fiscal Impact: Increased state revenues-\$4 billion to \$9 billion annually from 2019-2030- depending on economy and stock market. Increased funding for schools, community colleges, health care for low-income people, budget reserves, and debt payments.</p>	<p>PROP 57 CRIMINAL SENTENCES, PAROLE, JUVENILE CRIMINAL PROCEEDINGS AND SENTENCING. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Allows parole consideration for nonviolent felons. Authorizes sentence credits for rehabilitation, good behavior, and education. Provides juvenile court judge decides whether juvenile will be prosecuted as adult. Fiscal Impact: Net state savings likely in the tens of millions of dollars annually, depending on implementation. Net county costs of likely a few million dollars annually.</p>

PROP 59 CORPORATIONS. POLITICAL SPENDING. FEDERAL CONSTITUTIONAL PROTECTIONS. LEGISLATIVE ADVISORY QUESTION. Asks whether California's elected officials should use their authority to propose and ratify an amendment to the federal Constitution overturning the United States Supreme Court decision in *Citizens United v. Federal Election Commission*. *Citizens United* ruled that laws placing certain limits on political spending by corporations and unions are unconstitutional. Fiscal Impact: No direct fiscal effect on state or local governments.

Shall California's elected officials use all of their constitutional authority, including, but not limited to, proposing and ratifying one or more amendments to the United States Constitution, to overturn *Citizens United v. Federal Election Commission* (2010) 558 U.S. 310, and other applicable judicial precedents, to allow the full regulation or limitation of campaign contributions and spending, to ensure that all citizens, regardless of wealth, may express their views to one another, and to make clear that corporations should not have the same constitutional rights as human beings?

CANDIDATE STATEMENTS

Senate and Assembly candidates who accepted voluntary spending limits, as well as all candidates for local nonpartisan offices had the opportunity to submit a statement. The following pages may not contain a statement for every candidate, as some candidates chose not to submit one. The statements are the opinions of the authors and have not been checked for accuracy by any official agency. Candidate statement costs are paid by the candidate or, in some cases, by the jurisdiction. (A complete list of candidates appears on the "SAMPLE" version of the Official Ballot in this pamphlet.)

POLITICAL PARTY ENDORSEMENT PAGE

When voters adopted Proposition 14, the State Legislature required elections officials to print a list of candidates endorsed by any qualified political party which submitted its list to the elections official by August 17, 2016. The following parties submitted timely endorsements in these contests. The candidates' names are listed in the order of the Secretary of State's random alphabet drawing. Unchecked boxes indicate no endorsement was received.

DOUG APPEGATE
Retired Marine Colonel

AGE: 62

As a distinguished Marine Colonel and experienced civilian trial attorney, I built a record of leadership and public service, fighting for America and defending Americans.

I joined the Marine officer program over 40 years ago. I served as an infantry officer and a Judge Advocate. In my long career, my duties spanned defending and prosecuting war crimes, advising Marine Commanders, and a combat tour in Ramadi, Baghdad, and Fallujah, eventually retiring in 2006 after 32 years active and reserve.

When it comes to our national defense, I have the know-how to ask the right questions and focus on the key issues: fixing our VA, eliminating waste, and protecting our service members by putting them in harms way only when absolutely necessary.

I have lived in the 49th District since I was stationed at Camp Pendleton in 1981. All three of my children grew up here and attended our public schools. I own a business here and know what matters to this community. I will fight to bring back American jobs that provide living wages and equal pay for equal work, and demand comprehensive immigration reform that makes American employers part of the solution.

America needs new, positive leadership committed to integrity, accountability, and transparency in Congress, ending big money's influence on government.

For me, true patriotism is about serving our country however we can. Our duty is to keep America strong and keep it working for all Americans. I ask for and would be honored to have your vote.

UNITED STATES HOUSE OF REPRESENTATIVES
49th District

DARRELL ISSA
US Representative/Entrepreneur

Working to create jobs and grow the American economy is my passion.

As the founder of a consumer technology company that employs hundreds of people today, an entrepreneur, innovator, and former Army officer, I've put those skills to work for you in Congress to foster job creation, to protect the incredible creative space that exists on the Internet, and to promote and realize opportunities that are available in the new economy.

As your representative, I stopped the most harmful Internet regulatory scheme ever considered in Congress, SOPA. I worked collaboratively to protect your private information online and to foster job-creating startups.

I stood up to Wall Street, opposing the bailout of the big banks, and called to account Presidents from both parties when they abused their offices. I authored the DATA Act to make information on how government spends our money more accessible, fought to strengthen the Violence Against Women Act, and to provide extended family and medical leave to those caring for a wounded and recovering service member.

In the 49th District, we stood up new housing and facilities for our Marines at Camp Pendleton, negotiated settlements to increase the supply and quality of water available to our communities, and worked with local leaders to find long-term storage solution to the nuclear waste at San Onofre.

It is the honor of my life to serve you in Congress and I appreciate your vote. For more information, please visit my website www.DarrellIssa.com or call my office at (760) 598-3535.

ROCKY CHAVEZ

Marine Colonel/Assemblymember

I am running for re-election because I care about continuing to improve our schools, protecting the average taxpayer, and keeping promises to our veterans.

Our children deserve a quality education that provides them with the tools and skill sets that they will need for success in the 21st century. Every child deserves a safe school with world class teachers. I will continue my fight to make certain that more dollars are spent in the classroom and not on overhead.

Before I was elected, I promised to protect Proposition 13 and never vote for a tax increase. I am proud to say that I have kept that promise. The Howard Jarvis Taxpayers Association gave me an "A" grade when it comes to protecting taxpayers. I have also taken the lead in opposing "job killer" legislation that drives jobs out of California. We need to create a positive business environment that is capable of creating long term job growth.

As a retired Marine Colonel I understand how our region has benefited by the presence of our military and its veterans. During my time in the State Assembly I have introduced legislation that streamlined the benefit application process for veterans and another that made going to college more affordable. I am proud that the American Legion named me their "Legislator of the Year".

If you honor me again with your vote I will continue to work to improve our schools, honor our veterans, and protect taxpayers. www.RockyChavez.com

AGE: 48

Chief Operating Officer/Businessman/Election Reform Advocate

Voters First, Not Special Interests!

Stop - "Pay-to-Play" government and lawmaking by special interests by eliminating the corrupting influence of money on elections and in government.

Ensure - Politicians and bureaucrats be held accountable for the work they should do for you on Jobs, Education, Housing, Public Safety, Transportation, and the Environment by strongly supporting efforts to increase transparency in government like the California Disclose Act (AB700) and California Clean Money Campaign (www.CAClean.org).

Stop - Special Interests' exploitation of the "Citizens' Initiative Loophole" to evade longstanding community development rules, only to transfer the burden of traffic and infrastructure costs onto taxpayers.

Ensure - Veterans and Seniors are connected to services they earned.

Stop - San Onofre Nuclear Power Station owners from charging ratepayers \$1,635 per electric meter because of their own negligence.

Ensure - Real Public Utilities Commission reform by increasing outside oversight and transparency, ending cozy relationships between special interests and regulators, posting audits online.

Promise - To remain an independent thinker, welcoming public input, listening with diligence, and collaborating to get things done in Sacramento.

After working my way through Stanford, I earned an MBA from USC and worked in the fields of finance, healthcare, education, and technology. I moved to Carlsbad 18 years ago and have served as a community boardmember with the North County Humane Society / SPCA, Mayfield Community Clinic, and Californians for Electoral Reform (www.CFER.org).

When elected, I'll work for you with integrity.

**TIM FILLINGER
Engineer**

AGE: 52

Preparing our students with the opportunities to succeed in an ever-expanding and confusing world is not only critical, it is my passion.

As a computer engineer with 30 years of experience who has helped our military create state-of-the-art computer systems, I understand how to build and accomplish things.

As a graduate of a California Community College, I know how valuable an affordable educational foundation is to success.

As a father and grandfather, I am personally invested in the future of our families.

I work in a business environment. As a hiring manager, I review resumes and know what skills our students need in today's marketplace. I will work tirelessly to partner our students with local businesses, to the benefit of our community.

Quality education should be affordable. As a conservative, I will treat our district as the jewel it is and guarantee our tax dollars are spent appropriately. Partnership between our faculty, students and community will equal success!

I've worked in volunteer youth organizations for over 20 years, and I am privileged to participate in the building of entrepreneurial businesses with young people, providing leadership and mentoring.

Now, I would like your vote to serve on the Palomar Community College District Board.

United States Air Force**

Dr. John Halcon holds a Ph.D. in Education from the UC Santa Barbara. He is a Professor of Education at CSUSM and has demonstrated excellence in teaching tomorrow's teachers.

Since being elected to the Board in 2012 Dr. Halcon has expanded the College Veteran's Center so veterans receive the expert guidance they need to succeed. As a war veteran and beneficiary of the GI Bill he knows the importance of educating and training our returning veterans.

Dr. Halcon understands the critical role Palomar College plays in serving student needs. He has helped create agreements with UCSD, CSUSM, and SDSU so that our students have guaranteed transfer opportunities.

He has overseen the modernization of the Career and Technical Education facilities where students receive state of the art training and certification in industries critical to rebuilding our nation's economy.

He has hired a new president and improved campus life with the building of the new child development center and sports fields.

Dr. Halcon is proud of the growth and changes happening at Palomar College. He has been endorsed by College Teachers, Students, and Staff. Please elect Dr. Halcon to a second term.

PALOMAR COMMUNITY COLLEGE DISTRICT
Governing Board Member

NANCY ANN HENSCH
Trustee, Palomar Community College District

Nancy Ann Hensch has served Palomar College with distinction during the past 3 1/2 years. As a fiscal conservative, she kept a tight rein on the budget and placed taxpayer dollars in the classroom for maximum student benefit. She fought to keep student fees low and advocated for a debt-free college education for Palomar students.

As a lifelong educator, Nancy Ann has a solid knowledge of all levels of education. She has worked with special needs students as well as college students. Recently, she received a Teacher of the Year award.

Nancy Ann wants to work for you. She supports: 1) priority enrollment for all veterans, 2) an expansion of academic and technical programs to meet veterans' needs, and 3) career placement in jobs paying middle class wages.

Other priorities include: 4) guaranteed transfer to colleges/universities, 5) increased technology and trade apprenticeships that lead to solid paying jobs, and 6) the expansion of medical training for future nurses, paramedics, dental assistants, and biotech students.

Nancy Ann Hensch will reliably represent you. She brings high ethical standards and professional management of taxpayer dollars. Endorsed by teachers, nurses, police officers, and firefighters. Vote Nancy Ann Hensch for Palomar College Governing Board. <https://www.palomar.edu/gb/>

CITY OF VISTA
Member of the City Council

CODY W. CAMPBELL

Vista City Council Member / Small Business Owner

Vista has an amazing climate, the Wave Waterpark, Moonlight Amphitheater, spacious parks, award winning restaurants & breweries, and a newly revitalized downtown. Combined with the tireless dedication of our city staff, firefighters and law enforcement, Vista is an amazing place to live, work, and play unlike any other.

That is why I am honored to have served the City of Vista as your Council Member for the past four years. During that time, I have listened to and worked with the community to implement your ideas and improve our city to make it an even better place to live.

From the day you elected me four years ago, I've never stopped fighting for you. I've kept my promises to protect our seniors, reduce crime, invest millions to improve our parks & community facilities, attract new businesses to create quality jobs, and reduce the city's debt.

I've fought for common sense ideas that put Vista residents first.

I stood with seniors, and won, against out-of-town corporate mobile home park owners who sought outrageous rent increases, which would have priced seniors out of their homes, leaving them with no place to live. Now, Vista seniors are protected against unfair rent increases, preserving their homes and way of life.

When you elected me four years ago, Vista struggled to reduce crime, but today, the crime rate in Vista is at an all-time low. I'm proud to be endorsed by the Deputy Sheriffs' Association, because enhancing public safety and reducing crime, making Vista a safer place to live, is my top priority.

As a Vista business owner, I understand the importance of efficient local government. That's why I've actively engaged the business community and successfully worked to streamline and reduce the city's regulatory burden, helping our local businesses grow and create jobs.

During my term, Vista has invested tens of millions in infrastructure improvements, public safety, and community services. I've successfully fought to responsibly increase the City's emergency reserves, pay down millions of dollars in debt, and restore crucial services. As a result, the City's bond rating has greatly improved, saving local taxpayers millions of dollars.

I'm proud of what I have fought for and accomplished in our city with your support. I would greatly appreciate your vote to re-elect me, Cody Campbell, so that I can continue to work for you each and every day.

TOM FLEMING
Retired Cobbler

AGE: 70

I am asking you for the opportunity to pay forward to you for all the Good Vista has given to My Family and me over the last 40 + years. My Responsibility as your Vista City Councilman will be to Represent you, the Citizens of Vista. I have spent my entire working life as someone who had to get up early and go to work every day whether I felt like it or not. This is no different than the majority of You. For the last about 31 years I was the Owner of "Tom Fleming's One Day Shoe Repair" at the corner of Broadway and Indiana in Historic Downtown Vista. This has allowed me the opportunity to meet 1,000's of you. I had about 50 of you in the shop every day. Not just for shoes but to share your view of what you thought of happenings in and about Vista. I was on the Board of Directors of the Vista Village Business Association for over 10 years and served as President for 5, giving me the chance to work with the about 200 Business' and the Vista City Staff. The last 4 years I have served Vista as a Planning Commissioner allowing the opportunity to have a feel for the overview of Vista happenings. I was a member of the committee looking at the Downtown Specific Plan. I am Currently a Member of the Sheriff's Senior Volunteer Patrol. This lets me have another view of Vista happenings. US Marine Corps (1966-1968). As a Former Vista Planning Commissioner, I had been involved in the discussion of many projects in Vista and become aware of the need of Vista to have a more inclusive Public involvement process. Working Vistans often cannot attend day time workshops. They should be held evenings or weekends to allow for greater participation. As a member of the City's Downtown Specific Plan Committee I was involved in the creation of that document. As a member of the CVBID Oversight Committee I helped to make sure your tax dollars, given in support of the VVBA each year, were spent according to established guidelines. For the roughly 15 years (5 as President and 10 as Board Member) of the Vista Village Business Association I have been involved in the running of a Main Street Association in the Downtown, putting on many Great Events.

JOE GREEN
Small Business Owner

I am a committed community leader who – with your help—will take Vista from good to great.

I am a lifelong Vista resident who loves this city and her people. I grew up all over Vista – from East Los Angeles Drive (which now is Townsite Drive) to Shadowridge. I attended Vista's elementary, middle and high schools, graduating from Rancho Buena Vista High School.

My wife of 18 years, Jennifer, and I are proudly raising our four children in Vista. Our three daughters and son, ranging in age from 10 to 17 years old, all attend Vista public schools.

I have owned a real estate mortgage business in Vista for more than 15 years. It is here that I have learned the value and rewards of hard work and entrepreneurship.

I served as the PTA President for all Vista schools, representing over 4,500 parents and over 20,000 students. In this position, I helped improve our schools through parent engagement and technology integration.

With great humility and gratitude, I have received awards from the Vista Unified School District and the Vista Boys and Girls Club for my community work. I also have been honored to work with and mentor Vista's youth for over 10 years through my local church.

I am working hard to earn your vote because I believe we can take Vista from good to great. I am committed to maintaining balanced budgets and increasing Vista's emergency reserves through dedicated, fiscally conservative stewardship, and to bolstering business development by reducing regulation and encouraging incentives.

I will prioritize street and infrastructure maintenance and improvements to ease traffic flow as well as support public safety efforts to reduce crime and homelessness in our community.

Being an engaged and available city councilmember is an important goal of mine. I pledge to be a responsive public servant because I understand that I work for you.

I am endorsed by; Encinitas Mayor Kristin Gaspar, Vista Unified School Board Member Elizabeth Jaka, Pastor Chris Brown, Edwin Estes, along with dozens of other Vista business owners, and residents.

To learn more about my vision for Vista, please visit my website at www.JoeGreen2016.com and find me on Facebook at facebook.com/JoeGreen2016.

I will work tirelessly for Vista and her residents. I humbly ask for your vote of support, on November 8th 2016.

ERUBEY LOPEZ
Business Owner / Attorney

My name is Erubey Lopez and I'm running for Vista City Council to be your voice. Together we can create a Vista that is fair for all and where Love Trumps Hate. I grew up in Vista. As a child, I attended Monte Vista, Lincoln, and Rancho. With a scholarship from the Padres, I attended UCLA earning a B.A. in political science and my law degree.

Never forgetting my home, I returned to serve Vista. I started the Law Office of Erubey Lopez, which has fought for over 5,000 Vista families to ensure that every person in Vista is able to live with dignity. I have worked with children, tutoring, mentoring, and teaching them music at St. Francis Catholic Church. I have worked to keep our city safe as a Community Service Officer for the Palomar College Police Department and have advocated that our Sheriffs wear body cameras. In 2009, Mayor Morris Vance appointed me to the Parks and Recreation Commission, where I fought for open spaces, dog parks, skate parks, and to maintain affordable recreational fees for our children.

Our mission: to make Vista "Fair for All!"

As a council member, my priorities will be: public safety, making Vista affordable for working families, and smart growth that protects open spaces and manages traffic. I will work to strengthen the relationships between the community and our local law enforcement. I will make small businesses a central part of redevelopment making sure we attract more restaurants, cafes, entertainment and breweries to our Downtown. We will support street festivals like the Vista Strawberry Festival, St. Patrick's Day Parade, the Vista Alley Art Festival, Rhythm and Brews Festival, and the Vista BBQ Classic. I will work to make sure we have a Fourth of July Parade where we can celebrate together and honor our veterans and local heroes. We will ensure that the infrastructure of the older parts of Vista receives the attention it deserves focusing on roads, sewage pipes, and sidewalks. I will work to make Vista friendly for bicycling and pedestrians, and I will toughen our climate action plan.

Together we will make Vista the best city in the world. We build a progressive city that is fair for all: where economic prosperity touches everyone; where we care for our environment; and where diversity is celebrated.

DALE PILAT
Retired Military

I am your candidate for Vista City Council. My goal is to serve all the people and represent you at the city level. I was born and raised in California. I left my career in construction management and joined the military after terrorist's attacks of 9/11/01. After many years of distinguished service to our nation, I was unfortunately injured while deployed to Afghanistan and am no longer able to serve our nation in uniform. I have volunteered to serve on the City of Vista Sales Tax and Oversight Committee and have also served on the City of Vista Public Safety Commission. My simple goals once elected are to lower our taxes, expand economic growth, and get our city out of debt. I would also vote to suspend all red light camera use in the city of Vista.

Our city has over 200 million dollars in debt that I believe should be paid down as fast as possible. Once our debt has been paid off I would vote to lower our sales tax immediately. It will be my goal to have quarterly town hall meetings in different areas of our city to get direct input from you and your neighbors. Just like when I served in the military I will never forget I work for you. I am not a career politician; this will be my first time seeking public office.

I hope you will join me in our fight to put the people back in charge. I would be honored and humbled to have your support and your vote in this election.

AMANDA RIGBY
Vista Deputy Mayor / Small Business Owner

Four years ago, I shared with you my vision for Vista, told you of my commitment to our City, and demonstrated my leadership skills. You shared that vision and gave me the honor of being your voice on our City Council. Since then we have worked together to accomplish many things of which we can all be proud; Vista continues to be a thriving, vibrant, and beautiful place to live, work, and raise a family. But we must ensure Vista's priorities continue to be infrastructure; balancing thoughtful growth with maintaining our unique character and charm; and providing amenities that make Vista truly a family friendly community. I have been a strong advocate for creating a balance between our quality of life and future growth of our community.

During my first term, we eliminated the structural deficit while maintaining important city services; doubled our "rainy day" reserves to nearly 20%; and restructured our Prop-L obligations saving Vista residents \$1M per year beginning 2016/17. We also invested nearly \$22M in road improvements and \$2.2M upgrading traffic signals with new technology. I have also worked with our regional partners to better maintain their roads and properties within our sphere of influence.

We invested more than \$10M in park improvements and from day one, I was a vocal advocate for shade sails at our parks to better protect our children while they play and I'm very proud that shade sails were installed this year as part of the renovations. We also have two skate parks currently under construction.

As your Councilwoman, I take seriously the responsibility to create and maintain a vibrant and thriving community for our residents. At the same time, we must anticipate the needs of our future generations. This can only happen if we come together with a thoughtful vision for Vista, which includes being fiscally sound; having well planned and managed growth; increasing cultural and recreational amenities; and continuing to create opportunities for business. I am committed to this vision.

Please visit me at www.AmandaRigby.net and on Facebook to read more about the work I am doing or a bit more about me. Call me anytime at 760.889.7944.

I thank you for the opportunity to serve our City and I humbly ask for your continued support for four more years of Proven Leadership and Trusted Vision. Thank You! Amanda

Proud to be endorsed by the Deputy Sheriff's Association.

VICTORIA WAUFLE
Parish Ministry Assistant / Community Volunteer

I am running because I want to be a member of a forward thinking team leading the City of Vista as it grows and prospers. My priorities are maintaining strong safety services, enhancing youth recreation opportunities and increasing our revenue base to support the wants and needs of the community.

It is important to generate new revenue sources while respecting the residents' desire to maintain a rural village atmosphere. To be successful requires a balanced, methodical and calm approach realizing our fiduciary responsibility. I have the training, experience and passion to work with the city, its residents, current businesses and those proposing projects, to bring that balance and calm to the table. As an advocate for our children, a volunteer and a servant of my church, I have developed a close relationship with the community.

A longtime resident of Vista, much of my energies have been directed toward our children. I have proudly volunteered my time to the Boys and Girls Club of Vista as a Board Member for 28 years, and as Board President five times. During my tenure as Board President and Chief Volunteer Officer in 2002-2003 I reduced \$135k outstanding debt to \$25k outstanding debt within a 10-month period. In 2009, I reduced a \$160K outstanding debt to a \$35K profit within a year. I have served as a Foundation Trustee for 22 years. As a volunteer panel member of the Juvenile Justice program in North County, I strive with others to seek alternatives to court appearances for local area first time youth offenders.

As an active member of Soroptimists, Vista Rotary, and member of the Chamber of Commerce, I continue to develop relationships with our citizens, organizations and businesses. These relationships help me to understand the diversities of our city and how we should be working to benefit our community by providing jobs while continuing to develop a safe environment in our neighborhoods and parks.

My formal education includes Pepperdine University – Psychology, University of Phoenix – B.A. Criminology, USC Graduate School – Management Effectiveness. Through crises intervention stress management training I have been an active Chaplain for Disaster Services in San Diego County.

I am a 35 year resident of Vista, homeowner and employed within the City of Vista. I will be a council member who listens, and is respectful with your best interests at heart.

I'm asking for your vote on November 8.

MARGGIE CASTELLANO
Film/TV Producer

AGE: 61

My vision is that Tri-City Healthcare District will lead the evolution of healthcare and best quality care in the country.

I hold a Bachelor of Interdisciplinary Studies with concentrations in Political Science and Small Business, also technical degrees as a Computer Programmer and Pharmacy Technician. I am an immigrant from Peru and speak Spanish.

I have over twenty-five years of invaluable international experience overseeing the day-to-day operations of numerous and complex television programs and films under rigorous budgets and deadlines, dealing with politics, permits and fair contract negotiations between my clients and the communities involved. My clients include: National Geographic, Discovery Channel, The Vatican, PBS and NOVA to name a few.

I am a passionate and mission driven professional with an innate and unique ability to solve problems, who loves to learn new things and to be challenged specially by the status quo. I am a very active person that leads by example; I believe that motivating and engaging teens and young adults to practice sports give them the discipline needed to have a healthy life.

I use the bottom-up management style because it is a path toward innovation. I would bring improvement and modernization to Tri-City Healthcare District: www.MarggieCastellano.com

RAMONA FINNILA
Incumbent Tri City Healthcare District Board

I am an incumbent member of the Board majority of Tri City Healthcare District that is responsible for turning it into a profitable public agency that employs over 2,000 people and has as its goal the provision of quality health care for North County residents and visitors.

Since I have been on the Board the following changes have occurred: a positive beneficial alliance with the University of California San Diego, clean yearly audits, the procurement of futuristic diagnostic equipment, the hiring of experienced competent management and the creation of a draft campus development plan.

In the past, I have been a positive transformational force on the Carlsbad City Council for 12 years, Chair and Member of the San Diego Association of Governments, Vice Chair and Member of the San Diego Regional Airport Authority and Founder of Cal State University San Marcos.

My public agency experience, coupled with my strong work ethic and your vote will sustain the progress we have achieved.

Bronze Star "V"; Emeritus Lifetime Member of the Superior Court Bench; Eldercare Ombudsman.

Notre Dame, J.D. (Law); George Washington, M.S., (Business/Personnel Administration); Holy Cross, B.S. (Education).

Vista resident for 43 years. Appointed to the Hospital's Governance Committee (2012). Served two years. In the past 3 years the Hospital has gone through tumultuous times, firing/hiring 4 different CEOs. In June, 2016, the Court adjudicated an adverse judgment of \$19.7 Million. Other lawsuits were settled at the expense of your healthcare funds, and numerous others are still pending. I have the career experience, skill and knowledge to analyze claims, litigation and consequential legal costs. While on the bench I assisted hundreds of parties in resolving their legal issues without extensive litigation. I bring unique and tested skills to settle disputes without costly litigation, exorbitant judgments, which threaten the solvency of your community Hospital. I will invite community dialogue and encourage employees, physicians, nurses, and staff to improve the quality of patient care. I will monitor financial expenditures to eliminate waste and upgrade our equipment and facility. I support interaction with community clinics to improve quality care for all.

LEIGH ANNE GRASS

Registered Nurse

Education: Bachelors of Science in Nursing, Certified Emergency Nurse, Healthcare Administrator, Intensive Care Unit Nurse

Experience: My 23 years of experience is extensive, an Emergency Department Nurse, Intensive Care Nurse, Palliative Care Nurse, Business Administrator, Corporate Executive Director, Compliance Leader, and Professional Healthcare Auditor.

Goals: Allow Registered Nurses and Physicians a greater voice in patient care services. Assure care provided to the citizens of the Tri-City Healthcare District meet national standards. Create viability and sustainability of Tri-City Medical Center, by decreasing current frivolous expenditures and placing the focus on quality patient care. Negotiate utilization of the Tri-City Medical Office Building, vacant since 2012, tangled in litigation, costing Tri-City Healthcare District residents an exorbitant amount of monthly. This medical office building should house specialty physicians, such as cardiac surgeons, neuro-orthopedic spinal surgeons, respiratory specialist, and mental health professionals. Purchase state of the art equipment to enhances patient care and eliminate long wait periods. Equipment may be purchased when the wasteful spending ceases. When elected, I will focus on rebuilding the infrastructure and integrity of our hospital, acquire needed equipment, and attract skilled nurses and physicians. Together we can make Tri-City Medical Center the jewel of North County.

DAN HUGHES
Business Owner

AGE: 49

As owner of Coast Environmental for 10 years, I worked with over 150 hospitals in California providing construction and maintenance related services. We employed nearly 100 people and had projects ongoing in multiple hospitals on a daily basis. Tri-City Medical Center was one of our customers. We worked on major infrastructure (HVAC, Plumbing, Seismic, Medical Gas, etc.) projects with contractors like Swinerton and Turner at hospitals including Scripps, Naval Medical Center, UCSD and many others.

I sold my business in 2014, and now I can give back to the community. Our community owns Tri-City Medical Center. I will serve as your representative to guide Tri-City through its implementation of desperately needed infrastructure upgrade, and in particular an upgrade to meet seismic standards, which if not met by 2030 will force the state to close the hospital. I bring to the hospital board the experience to help guide hospital leadership down the most efficient and responsible path in creating a world-class healthcare provider that our community can continue to count on. Patient health and healing, patient safety and staff satisfaction are my most pressing objectives.

My wife Amy and I have four children and we have raised our family in Oceanside.

JULIANNE NYGAARD
Retired

AGE: 71

As a resident since childhood of North County (I grew up in Vista, raised my children in Carlsbad and was a member of the Carlsbad City Council for fourteen years) and a current member of the Tri City Healthcare District board, I am committed to ensuring that our hospital continues to offer the best possible services to our community. During my first term on Tri City's board we joined forces with UCSD to bring even better access to outstanding medical care for North County. We developed a plan to upgrade our hospital including a new emergency room. We also now have the best safety record in North County. As a Tri-City board member I have been a strong advocate for more effective care for mentally ill patients. I have worked to strengthen patient safety and provide a positive work environment for all our staff. I currently serve as Chair of the California Health Care Association and am working with State and Federal legislators to keep government reimbursement levels to our hospital from being reduced. I will continue to seek your input and respond to your concerns about the health care needs of our community. I ask for your vote.

**DONNA RENCSAK M.A., MFT, D.H.S.
Marriage and Family Therapist**

I am running for this position because I believe it is time to address and repair the current issues facing Tri-City Medical Center.

I am a proud resident of this district having lived in Carlsbad since 1987. I am well qualified for this position having worked for a major corporation for 25 years, and hold a degree in Business Administration. In addition, for the last 12 years as a Licensed Marriage and Family Therapist I have provided mental health counseling for residents of our community. As a psychotherapist I come in daily contact with clients facing a myriad of physical and mental health issues that may require hospital care. It is important that residents of this community have a fully functioning Medical Center, geographically close, that can address their urgent needs. Tri-City currently holds a high rating within the community, and my goal is to assist in mediating issues and encourage fellow board members to use Prudence moving forward. This translates as making the right choice at the right time for the right reason.

COUNTY OF SAN DIEGO

(This Measure will appear on the ballot in the following form.)

MEASURE A

SAN DIEGO COUNTY ROAD REPAIR, TRANSIT, TRAFFIC RELIEF, SAFETY AND WATER QUALITY MEASURE

Shall an ordinance be adopted to: repair roads, deteriorating bridges; relieve congestion; provide every community funds for pothole/street repairs; expand public transit, including improved services for seniors, disabled, students, veterans; reduce polluted runoff; preserve open space to protect water quality/reduce wildfires by enacting, with independent oversight/audits, a 40-year, half-cent local sales tax (\$308 million annually) that Sacramento cannot take away?

This measure requires approval by two-thirds of the voters voting on the measure.

COUNTY COUNSEL IMPARTIAL ANALYSIS

The San Diego Association of Governments (SANDAG), acting as the San Diego County Regional Transportation Commission (Commission), has placed this measure on the ballot. This measure would:

1. Authorize the Commission to impose an additional transactions and use tax of $\frac{1}{2}$ percent in San Diego County for a period not to exceed forty years.
2. Authorize the Commission to issue bonds payable from the proceeds of the tax to accelerate the construction of public infrastructure improvements.
3. Require all revenues to be deposited into a special fund and limit the use of such revenues to public improvements that qualify as eligible uses under state law, including:
 - Local Infrastructure Projects: transit youth passes, increased transit services, habitat, roads, sidewalks, beach sand replenishment, greenhouse gas reduction, climate action plans, and watershed management.
 - Regional Corridors Projects: new and expanded bus, train and Trolley services and facilities, improved intermodal centers at the airport and border, highway express lanes, carpool lanes, and carpool connectors, and highways and general purpose lane connectors.
 - Active Transportation Projects: bikeway facilities and connectivity improvements, pedestrian and walkable community projects, bicycle and pedestrian safety projects and programs, pedestrian grade separation projects, and traffic calming projects.
 - Open Space Funding: implementation of the regional share of habitat conservation plans, including acquiring, managing, and monitoring conservation lands.

COUNTY COUNSEL IMPARTIAL ANALYSIS (CONTINUED)

- Transit Operator Funding: funding for the region's transit operators for operation of new, expanded, or enhanced services included in the Ordinance.
 - Grants Program: local rail and road grade separation projects, synchronized traffic signal projects on local arterial roads, and specialized transportation grants to address the needs of people who are seniors, students, disabled, low-income, and veterans in need of transportation services, or implement innovative projects/programs that provide better access to public transit and support smart growth and transit oriented development.
4. Require the Commission to make every effort to combine revenues with federal, state, local and private funding to maximize the amount of money available in the region for infrastructure.
5. With the exception of certain sections, which require a vote of the electors of San Diego County to amend, the ordinance may only be amended with a favorable vote of at least two-thirds of the SANDAG Board of Directors.
6. Require local agencies to maintain the same level of discretionary funding, including local agency general funds, expended for streets and roads, transit, and specialized transportation.
7. Require that SANDAG use its best efforts to complete the projects in the Priority Corridors Program within 15 years. These include highway improvements in the SR 78, I-5, SR 52, SR 67, I-8, and SR/94/SR125 corridors; increased Trolley service and capacity; COASTER commuter rail improvements; and new Trolley and Rapid bus services.
8. Establish a goal of using 80% to 100% local workers on capital projects funded by the ordinance.
9. Require that skilled and trained workers be used and responsible bidders be hired to carry out capital projects constructed by SANDAG.
10. Require continuation and expansion of the Independent Taxpayer Oversight Committee (ITOC), which will oversee the financial integrity and performance of the program.

If passed, the measure shall become effective on November 9, 2016, and operative on April 1, 2017.

The above statement is an impartial analysis of Measure A. A copy of the measure is also available for viewing at the Registrar of Voters website at www.sdvote.com/en/measure-a.pdf. ARGUMENT IN FAVOR OF MEASURE A

San Diego County Road Repair, Transit, Traffic Relief & Water Quality Measure

Reverse decades of neglect to San Diego's infrastructure by providing funding for:

- Making urgent, critical repairs to roads, bridges & overpasses.
- Synchronizing traffic lights/upgrading freeways to relieve congestion.
- Expanding transit for seniors, students, disabled and veterans.
- Preserving open space to protect habitat/watersheds.
- Improving brush management to reduce wildfires.
- Improving water quality by treating polluted runoff.
- Funding pothole/street repairs for every community.

Local Nurses, Fire Fighters & First Responders: Critical Safety Repairs Save Lives.

Badly needed repairs to streets, bridges, interchanges/overpasses make roads safer, reduce response times, and get emergency crews to accidents/disasters faster to save lives.

Paramedics, 911 operators, police and sheriff's deputies support Measure A.

Prevent Devastating Wildfires/Protect Water Quality.

Preserve 25,000-plus acres of open space. Protect endangered habitat/watershed. Clean polluted runoff.

Fire chiefs: active brush removal/open space management helps prevent wildfires.

Strict Accountability/Transparency.

Every project online, detailing exactly what Measure A does in your community.

Annual independent audits posted online.

All funds, by law, must be spent locally – **funding Sacramento CANNOT take away.**

A Citizens Oversight Committee will ensure every dollar is spent as promised.

Relieve Traffic Congestion/Reduce Air Pollution.

San Diego drivers average 42 hours/year stuck in traffic. Idling cars and trucks worsen air pollution. Measure A synchronizes traffic lights, upgrades congested freeways and expands transit to reduce pollution/relieve traffic congestion.

A Sustainable, Viable Future.

Investing in infrastructure creates tens of thousands of good-paying jobs. Repairing/upgrading roads and freeways insures our economic vitality. Preserving open space, protecting water quality, and expanding transit protects our environment.

Measure A will protect and enhance San Diego's Quality of Life for our children and their children.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE A

No Real Accountability Over the Bureaucrats

Despite a voter-friendly name, the deceptively-titled 'Independent Oversight Committee' is nothing more than an insiders' club. The media has exposed the committee's chairman as a registered lobbyist for the construction industry which is making millions on these projects. He lobbies the very government officials he is supposed to oversee! Worse yet, in 2010 SANDAG reduced the conflict of interest rules governing this so-called committee.

A Tax that Hurts Working Families

Many working families are struggling in this high-tax state. This \$18 Billion tax will be paid by our children and grandchildren and last for 40 years! Twelve years ago voters passed a 40-year sales tax increase for SANDAG's transportation improvements but commutes have not gotten any better. With billions and billions of dollars in proposed tax increases on this year's ballot already, send a message and vote NO on Measure A!

A Transportation Tax that Doesn't Pay for Transportation

Read the fine print. Bureaucrats expanded the definition of "Local Infrastructure Projects" (\$4.3 Billion) to include: incentives for infill developers, bike paths, sidewalks, streetlights, beach sand replenishment, greenhouse gas reduction, monitoring open space and other non-transportation pet projects. There is \$2.54 Billion for bike lanes and open space but only \$0.6 Billion for normal highway lane expansions.

No Traffic Congestion Relief

Measure A documents literally state *"travel times to work remain flat for drivers alone and improve for transit uses."* So while over ¾ of commuters travel alone, only 3.4% of this tax is going to help them. Additionally, over \$7.5 Billion is earmarked for mass transit despite the fact only 2.7% of commuters use it – and the percentage of transit riders has decreased since 2005.

Bi-partisan Opposition

Both the Republican Party and the Democrat party oppose Measure A.

ARGUMENT AGAINST MEASURE A

Measure A is a deceptive and harmful 40-year sales tax increase that would raise taxes in San Diego County with little accountability or transparency and no clear plan to improve our quality of life.

Reject Measure A. Vote NO on a 40-year tax increase that gambles with the health of our children and grandchildren. The American Lung Association gave San Diego County an “F” in the 2016 State of the Air report. Measure A does not offer real solutions to solve our dangerous air pollution problems.

Reject Measure A. Vote NO on bureaucrats getting a blank check with little accountability or transparency.

Reject Measure A. Vote NO on a 40-year tax increase with no guaranteed solutions to address climate change or reduce traffic congestion in our region.

Reject Measure A. Vote NO on a flawed Measure that raises taxes for 40 years, yet does not do nearly enough to improve water quality and clean up the pollution harming our creeks and coastal waters.

Reject Measure A. Vote NO on Measure A with nurses, teachers, the Sierra Club, the National City Chamber of Commerce and working families.

Reject Measure A. Our communities deserve better, our children deserve better, our taxpayers deserve better.

Measure A is dangerous, reckless, and does more harm than good.

The opponents just don't get it.

Measure A repairs roads/relieves congestion while improving water quality

REPAIR ROADS, BRIDGES & OVERPASSES. FILL POTHoles IN EVERY COMMUNITY.

Deteriorating roads cost San Diegans \$1858/year.

Wear/tear \$722. Lost time/wasted fuel \$887. Accidents/insurance \$247. (CBS)

- FATAL ACCIDENTS: Poor roads responsible for 1/3 of traffic fatalities. (KNSD7/39)
- UNSAFE ROADS: 67% local roads rated poor/mediocre. (KPBS)

Local Nurses, Paramedics/Emergency Room Doctors: Measure A gets first responders to accidents/natural disasters quicker to save lives.

IMPROVE WATER QUALITY

Measure A will clean up millions of gallons of toxic roadway runoff.

In 2015, polluted runoff was a major cause in 762 Beach Advisories. (U-T San Diego)

Measure A preserves 25,000 acres of open space/wetlands, protecting rivers/streams.

Former County Water Authority Chair Mike Madigan: "Measure A is needed to protect San Diego's water quality."

REDUCE TRAFFIC CONGESTION & AUTO EMISSIONS

Measure A spends millions to relieve traffic congestion, reduce idling, synchronize traffic signals, and build bus/trolley lines to move people out of cars.

JOBS – JOBS – JOBS

TENS OF THOUSANDS OF JOBS: \$40+ billion annual San Diego imports/exports. Infrastructure investments guarantee these jobs remain here.

PREVENT WILDFIRES

Fire Chiefs/ Fire Fighters: Measure A funds aggressive brush management to prevent wildfires and repairs back country roads to improve emergency access/evacuation.

COUNTY OF SAN DIEGO

(This Measure will appear on the ballot in the following form.)

MEASURE B

ORDINANCE AMENDING THE COUNTY GENERAL PLAN, COUNTY ZONING MAP AND COUNTY CODE, AND ADOPTING THE LILAC HILLS RANCH SPECIFIC PLAN

Shall this Initiative be adopted for the purpose of amending the County General Plan, Zoning Ordinance and Code of Regulatory Ordinances and approving the Lilac Hills Ranch Specific Plan ("Plan")? The Plan provides for the development of a 608-acre master-planned community including 1,746 dwelling units, three commercial centers, a public park, 10 private parks and 16 miles of trails. The project site is generally located north of Escondido and east of I-15 in the unincorporated area of North San Diego County.

This measure requires approval by a simple majority (over 50%) of the voters voting on the measure.

COUNTY COUNSEL IMPARTIAL ANALYSIS

This measure would amend the County General Plan, Zoning Ordinance and Code of Regulatory Ordinances and adopt the Lilac Hills Ranch Specific Plan for the development of a 608-acre master-planned community ("the project") located east of I-15, south and west of West Lilac Road, north of Mountain Ridge Road and west of Covey Lane in the unincorporated area of North San Diego County. Much of the project site is currently used for agricultural operations, and the surrounding area has low-density residential and agricultural uses. Under the current General Plan designation, up to 110 homes could be developed on the project site; no commercial uses are allowed. The measure is exempt from the normal environmental review process.

The measure allows development of a new community including 1,746 dwelling units (903 single-family detached units, 164 single-family attached units, 211 mixed-use units, 468 single-family detached senior citizen units), and three commercial mixed-use centers totaling 90,000 square feet of space.

This measure would require amendments to the County General Plan including: (a) changing the project site's land use designation from semi-rural to village; (b) exempting the project from the leapfrog development restrictions; (c) exempting the project from policies to protect agriculture and to maintain the existing rural life style; (d) exempting the project from the usual methodology for determining the maximum amount of time allowed for the fire agency to get to the project site and applying a separate methodology for the project.

The measure requires the project to include 25.6 acres of parks, including a 13.5-acre public park, 10 private parks, and 16 miles of trails. Approximately 104.1 acres would be preserved on site as biological open space, 23.8 acres of which would be in active agriculture.

This measure states its intent to provide a sustainable community that will introduce a variety of housing types across a range of affordability levels and create employment, retail and service opportunities in San Diego County.

COUNTY COUNSEL IMPARTIAL ANALYSIS (CONTINUED)

The measure further states its intent to require all necessary public facilities and services to meet the needs of the community. The measure requires recreational facilities, a potential school site, an internal private road system, storm drain system, underground utilities, water lines, a site for a water reclamation facility and related distribution system, detention basins and wet weather storage ponds. It would also amend County Ordinances to apply the standards included in the project for improving public and private roads if those standards conflict with the usual County standards.

The measure incorporates design features and policies based on the National Green Building Standards.

The measure may be amended by a majority vote of the Board of Supervisors, based on a proposal submitted by the Lilac Hills Ranch applicant or the County, or a vote of the people.

The measure was placed on the ballot by a petition signed by the requisite number of voters.

"Yes" is a vote to adopt this measure.

"No" is a vote to deny this measure.

The above statement is an impartial analysis of Measure B. A copy of the measure is also available for viewing at the Registrar of Voters website at www.sdvote.com/en/measure-b.pdf. If you desire a copy of the measure, please call the Registrar of Voter's office at 858-505-7260 and a copy will be mailed at no cost to you. (NOTE: Web address is in all lower case letters.)

ARGUMENT IN FAVOR OF MEASURE B

San Diego County faces a critical housing shortage, resulting in higher housing costs and pressure to build more homes in existing communities.

Measure B authorizes development of Lilac Hills Ranch, a pedestrian-oriented village in North County that includes housing priced to start at \$300,000 – within reach of most working families and first-time home buyers – to address the County's housing crisis and reduce development pressures near your neighborhood.

SANDAG calculated Lilac Hills Ranch reduces local traffic by giving existing residents nearby shopping, parks and a school, eliminating lengthy trips now required for these services. It also provides an alternative to lengthy commutes to San Diego employment centers from housing in southern Riverside County.

- Measure B requires strict energy and water-efficient green building standards and a water reclamation facility that will reduce water consumption of the completed project compared to current use of the property.
- Measure B requires the developer to provide a 13.5-acre public park and ten neighborhood parks, 23.8 acres of agriculture, 20.3 acres of open space with 18.3 acres maintained as orchards, preservation of 104 acres of biological open space, creation of 6 acres of wetland habitat, and a 16-mile trail network connected to County regional trails.
- Measure B requires the developer – not the taxpayers – to pay for these facilities.

In addition, the developer is required to pay for a K-8 school to serve the project and nearby residents.

Lilac Hills Ranch conforms to the vision and guiding principles of the County's General Plan, complies with fire safety standards of the local Fire Protection District, and significantly improves existing roads near the project.

Lilac Hills Ranch was thoroughly reviewed for over three years by the County's Planning Department, including two comprehensive Environmental Impact Reports.

REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE B

Measure B is an end-run around environmental and safety laws designed to protect all San Diegans. Lilac Hills Ranch is inconsistent with the County General Plan. The County Board of Supervisors has not voted to approve the Project. The County's own analysis of Measure B shows it is bad for the region.

Measure B Will Worsen Regional Traffic

- Lilac Hills Ranch will add more than 19,000 daily car trips to local roads and highways.
- Taxpayers may foot the bill for any remaining traffic problems caused by this project. Needed improvements may cost taxpayers more than \$1.005 billion.

Measure B Won't Increase Affordable Housing Supplies

San Diego County has an affordable housing shortage.

- Nothing in Measure B requires affordable housing at Lilac Hills Ranch.
- According to the developer, Lilac Hills single family detached homes will start at more than \$500,000.
- Lilac Hills residents will face HOA as well as Mello-Roos fees for essential services, further driving up home costs.
- **Measure B will not reduce the cost of housing in the county.**

Measure B Adds to Taxpayer Burden

- Measure B allows a developer to skirt county requirements to provide water, sewer, fire, and road improvements for more than 1,700 new homes on land that is zoned to support 110 homes.
- The project increases fire and safety risks.
- Taxpayers will be forced to make up for the shortfall in the developer's investment in public services.

Measure B is a bad deal for San Diegans.

ARGUMENT AGAINST MEASURE B

VOTE NO ON MEASURE B.

Measure B is a developer attempt to build 1,746 houses and 90,000 square feet of retail space in a critical agricultural area where only 110 homes and no retail uses are allowed by law (a 1,487% density increase). An impartial County report demonstrates that Measure B exempts crucial fire safety and road improvements. Instead of keeping residents and their children safe, Measure B may require county taxpayers to pay for the improvements. The facts in the County report show that:

1. MEASURE B won't meet the required 5-minute fire and emergency response time to protect the public and save lives. And, the developer chose not to construct an essential new fire station.
2. MEASURE B will create 19,428 car trips daily. And, MEASURE B doesn't pay for all improvements to freeways or county roads. It will take far more than the developer's proposed \$5 million to fix the shortfall. It also removes critical road and intersection improvements the County required, creating unsafe road conditions for which county taxpayers will be liable.

MEASURE B will exacerbate urban sprawl, which is inconsistent with the County General Plan.

MEASURE B supporters claim it would provide affordable housing for low income families and veterans. **NOT ONE WORD OF MEASURE B MENTIONS AFFORDABLE HOUSING. If Measure B is approved, there is no enforceable requirement to provide affordable housing.**

MEASURE B is a deceptive sweetheart deal for the developer at the expense of all San Diego County residents.

Don't be fooled.

REBUTTAL TO ARGUMENT AGAINST MEASURE B

A small group of NIMBYs (Not In My Back Yard) seeks to block this environmentally-friendly way to address our County's worsening housing crisis.

Sitting in their million dollar homes, opponents couldn't care less if you, your children or grandchildren can't afford to stay in San Diego County to raise a family.

Opponents misrepresent and distort the facts about one of the best-designed master-planned communities in our County's history. Here are the facts:

- Lilac Hills Ranch is adjacent to a 24/7-staffed fire station. Its fire safety plan was approved by the local fire protection district. It will be one of the most fire safe projects in the County.
- Measure B will result in reduced traffic on area roads, providing nearby commercial and other services which now require lengthy car trips. It requires the developer to pay for over \$14 million in fees and upgrades to area roads. Additionally, the developer made a legally binding \$2 million commitment for additional upgrades so area roads will be safer than they are now.
- The developer made a legally binding commitment to the local school district to provide a turnkey K-8 school to serve project residents and neighboring families.
- Measure B is consistent with the vision and goals of the County General Plan to provide sustainable, pedestrian-friendly villages near major transportation corridors to meet the region's housing needs.

Please don't be misled by opponents. Measure B is a well-planned, environmentally-friendly way to help address our region's housing crisis.
